12

00:02:56.713 --> 00:03:02.030

City of Maupin: I make a move to approve the consent agenda as presented.

13

00:03:02.640 --> 00:03:10.779

City of Maupin: I'll second it's been moved and seconded to accept the consent. Agenda. Raise your right hand. Opposed?

14

00:03:11.450 --> 00:03:13.060

City of Maupin: All right. It's fast.

15

00:03:14.450 --> 00:03:18.589

City of Maupin: Okay. Now we're on to public comment.

City of Maupin: People who wish to testify are encouraged to provide written summaries recognize that substance not linked determines the value of testimony.

18

00:03:54.340 --> 00:03:56.460

City of Maupin: endorse rather than repeat

19

00:03:56.500 --> 00:04:02.229

City of Maupin: testimony of other witnesses for whom you agree. Thank you for taking the time to present your views.

20

00:04:02.910 --> 00:04:05.290

City of Maupin: We have any comments now it's

21

00:04:08.280 --> 00:04:19.790

City of Maupin: right. I'm sorry I I've got the R right. I just can't believe what our librarian is doing here.

22

00:04:19.990 --> 00:04:23.430

City of Maupin: He was doing such a fabulous job, and I hold it

23

00:04:23.840 --> 00:04:30.629

City of Maupin: everybody. I know you guys are all busy. But God, we gotta go in there and visit her, and that thing that she did on

24

00:04:30.830 --> 00:04:32.000

City of Maupin: when the

25

00:04:32.210 --> 00:04:34.170

City of Maupin: which is fabulous.

26

00:04:36.050 --> 00:04:36.840

City of Maupin: Thank you.

27

00:04:38.100 --> 00:04:39.150

City of Maupin: Right here.

28

00:04:40.095 --> 00:04:41.910

City of Maupin: Any other comments.

29

00:04:47.070 --> 00:04:50.060

City of Maupin: hearing none. Let's move on to reports.

30

00:04:50.800 --> 00:04:54.230

City of Maupin: Counselors. Do you have anything to say about the report.

31

00:04:59.670 --> 00:05:15.440

City of Maupin: I don't know if everybody's aware of it. I just happened to learn a few days ago, and I stopped by the credit union to to, you know, make the deposit. And they were in the middle

32

00:05:16.050 --> 00:05:29.805

City of Maupin: construction project, and and that project is going to be A. They're they're creating a alcohol. I'm not sure if that's the right term that indicates full room in there is going to have

33

00:05:30.360 --> 00:05:38.160

City of Maupin: You're going to replace the ATM with a an updated 21st century

34

00:05:40.642 --> 00:05:45.459

City of Maupin: virtual ATM is what you're thinking.

35

00:05:45.580 --> 00:05:49.559

City of Maupin: Thank you. But any case it has, you know.

36

00:05:49.650 --> 00:05:57.190

City of Maupin: substantial capacity to do a lot of things and including

37

00:05:59.210 --> 00:06:14.970

City of Maupin: I, I'm sorry I can't remember all the stuff you're going to be able to do. But including, you know, interactive banking, online video banking that sort of thing and is going to really expand our.

38

00:06:15.380 --> 00:06:31.360

City of Maupin: you know, kind of financial services capacity here in this part of the country, and that's all thanks to, you know, the expanded Internet capacity that we have, and and river marks willingness to

39

00:06:31.380 --> 00:06:36.879

City of Maupin: make a ongoing commitment to the Southwestern county community.

40

00:06:37.000 --> 00:06:38.049

City of Maupin: So that's a good thing.

41

00:06:38.650 --> 00:06:39.570

City of Maupin: Thank you.

42

00:06:40.040 --> 00:06:42.060

City of Maupin: Anything else to report.

43

00:06:43.560 --> 00:06:45.070

City of Maupin: No, but I got a question.

44

00:06:46.570 --> 00:06:49.420

City of Maupin: Christine.

45

00:06:50.835 --> 00:06:51.430

City of Maupin: so

46

00:06:52.180 --> 00:06:53.919

City of Maupin: I'm real curious

47

00:06:54.990 --> 00:06:56.589

City of Maupin: as to

48

00:06:57.070 --> 00:06:59.129

City of Maupin: the amount of money costs.

49

00:06:59.770 --> 00:07:06.269

City of Maupin: The all of this land use issues we've been dealing with.

50

00:07:06.970 --> 00:07:09.619

City of Maupin: but it's costing the city

51

00:07:10.440 --> 00:07:13.289

City of Maupin: or something that was just a minor

52

00:07:15.460 --> 00:07:16.989

City of Maupin: oversight on the

53

00:07:20.010 --> 00:07:21.880

City of Maupin: that's the word I'm looking for

54

00:07:21.980 --> 00:07:22.880

City of Maupin: developer.

55

00:07:24.120 --> 00:07:25.439

City of Maupin: What it was is

56

00:07:26.660 --> 00:07:27.930

City of Maupin: the

57

00:07:29.550 --> 00:07:34.149

City of Maupin: they took a look at it, and they didn't see that they needed the

58

00:07:35.770 --> 00:07:39.449

City of Maupin: because we've never had to use it before the total oversight.

59

00:07:39.800 --> 00:07:45.680

City of Maupin: So I'm wondering what this is costing the city knowledge just to take care of motorcycle.

60

00:07:45.920 --> 00:07:48.559

City of Maupin: I think people in this community should know

61

00:07:49.160 --> 00:07:51.400

City of Maupin: how much money this is costing us.

62

00:07:52.280 --> 00:07:54.560

City of Maupin: or something. That was something.

63

00:07:55.040 --> 00:07:56.130

City of Maupin: Is that

64

00:07:56.360 --> 00:07:58.740

City of Maupin: out of the question to ask that question.

65

00:08:00.550 --> 00:08:06.579

City of Maupin: We can. I haven't had. I'm keeping track, but I don't have a number.

66

00:08:06.620 --> 00:08:09.049

City of Maupin: And then to bring out the enormous

67

00:08:10.670 --> 00:08:14.550

City of Maupin: kind of keeping track through.

68

00:08:14.670 --> 00:08:24.290

City of Maupin: So I mean, I'm real curious what this cost is because you turn things all the stuff we've had to do with this. And I mean.

69

00:08:26.500 --> 00:08:31.849

City of Maupin: I'm just curious. Would you like that to be on the agenda next.

70

00:08:32.490 --> 00:08:33.240

City of Maupin: and

71

00:08:34.190 --> 00:08:49.030

City of Maupin: and I don't. I don't have an exact number of what I've I've built the city regarding this, but I do know that it's significantly

72

00:08:50.650 --> 00:08:51.960

City of Maupin: so

73

00:08:52.060 --> 00:08:54.460

City of Maupin: that is a consideration of.

74

00:08:54.800 --> 00:08:58.530

City of Maupin: I just think that for being another bit of oversight

75

00:08:58.670 --> 00:09:00.430

City of Maupin: team planner views

76

00:09:00.680 --> 00:09:02.190

City of Maupin: creating this whole issue.

77

00:09:02.440 --> 00:09:03.280

City of Maupin: that

78

00:09:03.720 --> 00:09:06.919

City of Maupin: this is costing the city tons of money, and

79

00:09:06.980 --> 00:09:08.880

City of Maupin: I think they revoke it

80

00:09:11.180 --> 00:09:13.340

City of Maupin: somehow. It keeps us happy with him.

81

00:09:15.130 --> 00:09:20.289

City of Maupin: Yeah, yeah, I would agree with that. I mean, we. We pay the city planner to

82

00:09:21.330 --> 00:09:31.960

City of Maupin: cover our back on these kinds of things, and it failed in this particular situation. And so I do think we do need to look at kind of how we'll perceive.

83

00:09:32.260 --> 00:09:36.509

City of Maupin: Forward. Learn from our lessons of what's going on now.

84

00:09:36.600 --> 00:09:39.279

City of Maupin: and make some adjustments, possibly.

85

00:09:40.110 --> 00:09:50.740

City of Maupin: and we're we're developing those. But it's a it was a mistake, was easy to see how it happened. So it's pretty easy to correct that. So it doesn't have to be, too. So we're discussing some.

86

00:09:51.174 --> 00:09:54.720

City of Maupin: Some changes that we can make will prevent that.

87

00:09:55.550 --> 00:09:57.606

City of Maupin: especially the same one.

88

00:09:58.759 --> 00:10:02.080

City of Maupin: But it, it has opened our eyes to.

89

00:10:02.710 --> 00:10:28.380

City of Maupin: That's a big ordinance to put on the planning commission. Also. That the the planning commission becomes the administrators of that. It's a significant ordinance, and it's gonna grow because the endangered Species Act is starting to get tied into it now. Also, so I think in the future. It was our planners. The planning commission listens to the planners advice their advice. The the planner said they didn't need one

90

00:10:30.230 --> 00:10:42.409

City of Maupin: and the planning Commission would be allowed to ask them to have known that ordinance inside now. So that was, I think, that was the big mistake that that ordinance ended up with the planning commission, administering it. So we're gonna

91

00:10:42.820 --> 00:10:55.905

City of Maupin: pull that to somewhere else. And and I think planning permission is such a really important job, you know, especially as we're changing and and we are evolving. So I'm sure there must be

92

00:10:56.300 --> 00:11:07.239

City of Maupin: classes and trainings and stuff like that. I mean, I know we had to go through different training things online. And I don't know that planning has to do that. Certainly something.

93

00:11:07.360 --> 00:11:29.840

City of Maupin: Yeah. And I've been talking with Dan Peter about that a lot. We were actually last for our September meeting. We were going to do a big training and they had one set up. But then we realized we're coming an election cycle. There's 3 up. So we thought we would wait until we get the new planning mission in place. But they've got several meetings.

94

00:11:31.420 --> 00:11:38.990

City of Maupin: it does. And this isn't an isolated incident, either. It sounds like we have, you know, this is the second time

95

00:11:39.060 --> 00:11:41.670

City of Maupin: stubbornship of

96

00:11:41.700 --> 00:12:09.140

City of Maupin: a planning issue in the last year. I can't remember exactly what happened with the home consideration of the cost of running utilities, too, and that's the kind of thing that you know we can't. We can't afford to do that. We can't afford to spend a hundred \$1,000, you know, whatever

97

00:12:09.980 --> 00:12:11.050

City of Maupin: I agree.

98

00:12:11.450 --> 00:12:13.299

City of Maupin: Oh, my God, we just said.

99

00:12:14.122 --> 00:12:17.499

City of Maupin: you know, we need to put some

100

00:12:18.060 --> 00:12:21.749

City of Maupin: additional procedures in place or something to

101

00:12:22.040 --> 00:12:24.612

City of Maupin: make sure that that doesn't happen again.

102

00:12:25.980 --> 00:12:30.139

City of Maupin: we we need to do that. And frankly, I I do. You know, I mean I

103

00:12:30.780 --> 00:12:33.099

City of Maupin: we have immediate conversations with her

104

00:12:33.890 --> 00:12:37.730

City of Maupin: city planner. Is that the same city planner on, on

105

00:12:37.930 --> 00:12:40.690

City of Maupin: both of those questions, and I don't know.

106

00:12:41.850 --> 00:12:54.874

City of Maupin: I mean Dan. Dan was still retired, probably implicitly, I forgot. But

107

00:12:56.850 --> 00:13:00.640

City of Maupin: But nonetheless it's that company. And

108

00:13:02.510 --> 00:13:03.660

City of Maupin: yeah.

109

00:13:03.900 --> 00:13:06.539

City of Maupin: that that should have caught that shit. I mean.

110

00:13:07.200 --> 00:13:11.769

City of Maupin: whether the responsibility for extending utility is not a complicated issue.

111

00:13:13.540 --> 00:13:15.439

City of Maupin: That's a kind of thing.

112

00:13:15.960 --> 00:13:18.980

City of Maupin: Yeah, we need to be able to fly on our same under

113

00:13:19.660 --> 00:13:21.730

City of Maupin: that catch those things.

114

00:13:21.750 --> 00:13:27.119

City of Maupin: I think one thing we need to realize, too, is this didn't happen again. This happened with Kevin

115

00:13:27.880 --> 00:13:29.320

City of Maupin: Kevin Warren

116

00:13:29.650 --> 00:13:38.959

City of Maupin: start with this? Oh, yes, yes, I think a lot of people think it.

117

00:13:39.150 --> 00:13:43.220

City of Maupin: It's useful. Oh, no, yeah, I wasn't. I didn't be able to apply that.

118

00:13:43.806 --> 00:13:50.649

City of Maupin: No, I think people realize it was under covers raining at that point in time.

119

00:13:51.830 --> 00:13:56.750

City of Maupin: and as a planner who was on the commission at that point, and

120

00:13:56.860 --> 00:14:02.240

City of Maupin: but we will stay on the division. I would say that we're only as good as the information we're given

121

00:14:02.300 --> 00:14:04.130

City of Maupin: by the professional.

122

00:14:04.400 --> 00:14:08.170

City of Maupin: That's certainly the case with the Rv. Health.

123

00:14:08.320 --> 00:14:15.629

City of Maupin: And that was when we looked at that originally which is now 2 and a half, maybe 3 years ago, when that came through

124

00:14:16.248 --> 00:14:18.959

City of Maupin: it just looked like slam dumb. It was

125

00:14:20.850 --> 00:14:30.790

City of Maupin: even possible that it wouldn't have gone in front of the planning commission, because it was such a simple request already in the correct zone, and all of that.

126

00:14:30.960 --> 00:14:34.119

City of Maupin: so that that part so

127

00:14:34.430 --> 00:14:35.600

City of Maupin: for that is not.

128

00:14:36.650 --> 00:14:38.530

City of Maupin: and I have one with where there's more

129

00:14:39.270 --> 00:14:40.180

City of Maupin: then.

130

00:14:40.350 --> 00:14:41.130

City of Maupin: sure.

131

00:14:42.390 --> 00:14:52.470

City of Maupin: And so Scriptures are pretty put in place, you know. If we're looking at something we should maybe have to do some homework ahead of time and read the relevant.

132

00:14:55.510 --> 00:14:57.539

City of Maupin: It's a normal

133

00:14:58.870 --> 00:15:02.380

City of Maupin: if he really goes back because we don't do that

134

00:15:03.760 --> 00:15:20.399

City of Maupin: deal with it as we're looking at it at the time. Yeah, here's here's the ordinance, right? Not at that time. Yeah.

135

00:15:20.560 --> 00:15:35.040

City of Maupin: yeah, just like we get our materials ahead of time. So we can read through them to be prepared right? Hopefully. You guys are having us, too, to a certain extent. But we don't get that kind of

136

00:15:35.340 --> 00:15:41.860

City of Maupin: level of. We are getting hot news, for instance, to that particular section of the audience.

137

00:15:41.920 --> 00:15:44.130

City of Maupin: Anything about that? We haven't discussed

138

00:15:45.480 --> 00:15:51.149

City of Maupin: their communications, not in the Reddit

139

00:15:52.940 --> 00:15:55.210

City of Maupin: would be the next level. Yeah.

140

00:15:55.780 --> 00:15:57.639

City of Maupin: there's that it. So I think

141

00:15:57.690 --> 00:15:58.820

City of Maupin: I think we

142

00:15:59.150 --> 00:16:02.678

City of Maupin: kind of what we want to do next time.

143

00:16:03.410 --> 00:16:05.620

City of Maupin: From what's the role?

144

00:16:06.220 --> 00:16:07.110

City of Maupin: Oh.

145

00:16:07.930 --> 00:16:10.339

City of Maupin: the city council hired an attorney.

146

00:16:11.180 --> 00:16:14.810

City of Maupin: What's the role of a person who advises?

147

00:16:18.914 --> 00:16:24.930

City of Maupin: Yeah, he's a professional.

148

00:16:28.520 --> 00:16:31.939

City of Maupin: Okay, we download reports.

149

00:16:33.610 --> 00:16:37.165

City of Maupin: Let's move on to the street design project.

150

00:16:39.190 --> 00:16:58.690

City of Maupin: Yeah, do you want to speak to that? Yeah. So we're getting, we're getting really close on on the street design standards plan. Adopting that. And I think we're we're gonna try and do that at our October 23rd City Council meeting is adopting the street design standard plan and adopting

151

00:16:59.500 --> 00:17:18.799

City of Maupin: prior to that. We're going to try and hold a joint work session with planning commission and city council, where we'll have our group that's been helping us with this Nick Gross and Katie Pop will be here. We'll really work through all the details of it.

152

00:17:19.930 --> 00:17:24.720

City of Maupin: And then, and to prepare us for when you guys will actually adopt with the next.

153

00:17:25.010 --> 00:17:29.190

City of Maupin: it was quite an extensive report. Yeah, yeah.

154

00:17:29.590 --> 00:17:33.430

City of Maupin: yeah. A lot of information. Good.

155

00:17:35.300 --> 00:17:41.370

City of Maupin: Well, as council members, it's really important that we read this information very thoroughly.

156

00:17:47.280 --> 00:17:50.300

City of Maupin: I was. I'm sorry any of the comments.

157

00:17:50.600 --> 00:18:13.550

City of Maupin: I was just gonna say I was glad the doctor trail was the number one priority. When I read through the very end of the report, talking about recommendations and things to do. And I think it's also they were talking about different funding avenues, and that's something we'll really need to look at who we have can write those grants for us. Yeah. So

158

00:18:13.600 --> 00:18:43.529

City of Maupin: I I'm sorry I had a meeting with. The only problem with it is it was it required a pretty significant match. It sounds like the likelihood of us getting the grant would be a home run, because it's just perfect for what they're looking for. But the match is pretty significant, and I

159

00:18:43.590 --> 00:18:50.580

City of Maupin: I can't remember it was a 10% match, and I've got to get my numbers closer together. But it would it would

160

00:18:50.610 --> 00:18:55.060

City of Maupin: I? I want to say the match is somewhere around \$100,000.

161

00:18:55.270 --> 00:19:03.540

City of Maupin: Yeah, because I I think estimate was like, \$630,000 for the yeah. Yeah.

162

00:19:03.810 --> 00:19:07.590

City of Maupin: yes.

163

00:19:07.780 --> 00:19:12.730

City of Maupin: Well, that would be yeah, that that's the next step. I'm gonna say, we wanted to do it. Yeah.

164

00:19:13.960 --> 00:19:16.060
City of Maupin: Eastlander, yeah.

165
00:19:17.400 --> 00:19:25.790
City of Maupin: madam, Mark, John, Mark, Mark, John, or another hand up.
Okay.

166
00:19:25.790 --> 00:19:28.719
Mark & Heather John: Yeah, real quick question. Thank you for

167
00:19:29.470 --> 00:19:35.360
Mark & Heather John: for Nick. Hey, Nick, is this going to be posted
online just because you only have hard copies there today?

168
00:19:36.290 --> 00:19:38.329
City of Maupin: The street design standards, plan.

169
00:19:38.330 --> 00:19:39.100
Mark & Heather John: Yeah.

170
00:19:39.560 --> 00:19:43.700
City of Maupin: Yeah, we can. Totally. Yeah. I don't have it on the web
page.

171
00:19:43.700 --> 00:19:44.330
Mark & Heather John: Thank you.

172
00:19:44.330 --> 00:19:45.510
City of Maupin: Yeah.

173
00:19:45.510 --> 00:19:46.840
Mark & Heather John: Appreciate that.

174
00:19:47.266 --> 00:19:50.680
City of Maupin: We may get Bronte's name off of it.

175
00:19:50.800 --> 00:19:53.850
City of Maupin: Reckons

176
00:19:56.150 --> 00:19:57.170
City of Maupin: okay.

177

00:20:06.470 --> 00:20:08.060

City of Maupin: Any other? Comments.

178

00:20:09.730 --> 00:20:10.660

City of Maupin: Brian.

179

00:20:10.890 --> 00:20:12.709

City of Maupin: because we're getting

180

00:20:13.130 --> 00:20:23.216

City of Maupin: consideration for Turning street license. And has there been any street white consultant checked under this issue?

181

00:20:24.590 --> 00:20:27.150

City of Maupin: Since I've been a part of it.

182

00:20:27.230 --> 00:20:30.876

City of Maupin: it it hasn't been that hasn't been discussed, cause we we don't

183

00:20:31.250 --> 00:20:35.229

City of Maupin: The street design is more of a ground level pavement with

184

00:20:36.940 --> 00:20:43.259

City of Maupin: sidewalks, and how we actually design the streets. There's nothing really about the hiding in the streets like standards.

185

00:20:52.870 --> 00:20:57.980

City of Maupin: Okay? Well, we'll be together working on it during our work session. So study it.

186

00:21:00.808 --> 00:21:09.470

City of Maupin: Let's move on to the financing resolution. Who gets to talk about that.

187

00:21:11.620 --> 00:21:38.420

City of Maupin: Christine. We've got our financing, as our financing has gone through with government capital. And so now we're down to the bottom of the paperwork, and they're requiring a resolution, I believe, when we 1st started this, we kind of had one, but then, when the paperwork got all put together, then they're requiring part of the package to have a resolution

188

00:21:38.890 --> 00:21:44.079

City of Maupin: saying that we're going to pay this back is pretty much what the resolution, I believe, is.

189

00:21:45.170 --> 00:21:59.540

City of Maupin: I don't know. That is pretty much it. They're authorizing the expenditure we're authorizing, entering into the lease purchase agreement, and then we're saying, Well.

190

00:22:02.190 --> 00:22:05.720

City of Maupin: exactly when they ask for a letter of counsel

191

00:22:06.090 --> 00:22:12.980

City of Maupin: that you pass this, that you do pass this resolution. So I have that ready to go to sign in. Once you pass it.

192

00:22:13.720 --> 00:22:18.700

City of Maupin: They just want council approval above and beyond whatever other contractual

193

00:22:19.350 --> 00:22:30.310

City of Maupin: correct. What they want is an official record of council, stating that you are in support of this lease purchase agreement and authorizing the

194

00:22:30.780 --> 00:22:32.740

City of Maupin: and to ensure you're at.

195

00:22:33.920 --> 00:22:35.500

City of Maupin: And we actually

196

00:22:36.210 --> 00:22:36.990

City of Maupin: yeah.

197

00:22:37.610 --> 00:22:50.409

City of Maupin: we have it. We have it. We have it. Yeah. And I would like to get a picture and just to say to them, though.

198

00:22:50.440 --> 00:22:51.910

City of Maupin: send out a

199

00:22:51.960 --> 00:22:57.530

City of Maupin: a nice letter around it. We purchased the street street
sweeper through them. And

200

00:22:57.530 --> 00:23:24.400

City of Maupin: okay, so I'm kind of progress. Here's a picture of it. If
you haven't seen

201

00:23:24.420 --> 00:23:25.920

City of Maupin: that actual thing.

202

00:23:26.720 --> 00:23:35.039

City of Maupin: it's pretty amazing. Oh, my gosh, that's that. I guess I
won't be driving that

203

00:23:36.200 --> 00:23:38.700

City of Maupin: so. But somebody like to make a motion.

204

00:23:47.140 --> 00:23:55.580

City of Maupin: I move to approve. Resolution 9, 1, 9, 2, 0 2, 4 Street
super financing as written

205

00:23:56.530 --> 00:23:57.947

City of Maupin: a sex network.

206

00:23:58.650 --> 00:24:05.470

City of Maupin: It's been seconded to approve the financing. Raise your
right hand if you're in favor.

207

00:24:08.846 --> 00:24:21.750

City of Maupin: Okay, get ready. Event.

208

00:24:22.450 --> 00:24:35.282

City of Maupin: This is just kind of giving you guys. I'm not sure it's
just kind of giving you guys a little more update that we're moving a
little bit closer. We had a meeting yesterday.

209

00:24:35.770 --> 00:24:49.659

City of Maupin: Donnie's really kind of come out on this one because
she's worked at several places. So she took letters around into the
Dallas to even try to get a few more movies from people. So Staples has
supplied all of our

210

00:24:49.880 --> 00:25:01.610

City of Maupin: silverware plates and that kind of stuff, and Safeway gave us a hundred dollars for some food we have about a little over a thousand for food that we're supplying.

211

00:25:01.650 --> 00:25:10.789

City of Maupin: but we figured, why not see if others can help out. So that's we're waiting to hear back on by Mark, so that'll kind of help us out.

212

00:25:11.060 --> 00:25:24.139

City of Maupin: They were talking about doing a Chili cook off with the fire departments, but that's getting pretty hard to kind of get them organized to do that with having such a heavy summer on fire.

213

00:25:24.600 --> 00:25:35.310

City of Maupin: Tom and I talked today that we're going to take probably take our red fire truck or structure engine over, and one of our little trucks to have their.

214

00:25:35.380 --> 00:25:40.579

City of Maupin: I think most all the fire departments will be there. So this thing is continuing to grow.

215

00:25:40.650 --> 00:25:46.259

City of Maupin: We've got a vendor that's going to help show people how to load animals

216

00:25:46.310 --> 00:25:49.970

City of Maupin: and transport them in emergency situations.

217

00:25:49.990 --> 00:25:52.839

City of Maupin: I think right now, I've got like 30 vendors

218

00:25:52.900 --> 00:25:55.489

City of Maupin: and all kinds of swag, and

219

00:25:55.520 --> 00:26:02.879

City of Maupin: they're gonna have films and just all kinds of stuff going on. So really, I really want to see what the turnout from us

220

00:26:02.920 --> 00:26:16.080

City of Maupin: over there. That would be great. So as things get further, that is the flyer we're looking at right now. They did get it to

Colleen to get the paper for tomorrow. We'll be advertising through our newsletter.

221

00:26:17.560 --> 00:26:35.849

City of Maupin: we're still working, trying to get my flight to come, because we're saying every halfway anywhere. They're also talking about wanting to do some kind of raffle

222

00:26:36.949 --> 00:26:54.910

City of Maupin: and so I'm gonna have to start looking at what to do like kind of what Melissa did during locking days. Of course she had baskets. If people signed up for certain things you could win, but they're kind of talking about some different things on that, so I might go around to our local businesses and see if anybody wants to

223

00:26:55.110 --> 00:26:56.709

City of Maupin: donate to that

224

00:26:57.030 --> 00:27:00.719

City of Maupin: natural part. So we'll kind of see where that part

225

00:27:02.950 --> 00:27:08.150

City of Maupin: other than that I don't. We're we're still just kind of getting all of the ordinary

226

00:27:08.290 --> 00:27:11.800

City of Maupin: at the fairgrounds. October 19, th 10 to 2.

227

00:27:13.750 --> 00:27:20.750

City of Maupin: This is not anything that we talked about. I've just remembered I wanted to put into the checker report

228

00:27:20.790 --> 00:27:37.119

City of Maupin: that we did run of Gofundme to raise money for the firefighters. We got all the money finally out of Gofundme, which was 6 weeks. And we don't know how Google makes it not Google. Paypal makes all that money. They held

229

00:27:38.080 --> 00:27:50.509

City of Maupin: \$4,000 for 6 weeks. That was interesting, anyway. So we're dispersing just over a thousand dollars to 4 different.

230

00:27:56.180 --> 00:28:05.759

City of Maupin: That's really all I have on it. Unless you guys have some questions I can try to answer, or if you got questions that I can take, we're having meetings every 2 weeks.

231

00:28:05.850 --> 00:28:07.639

City of Maupin: We tell you that.

232

00:28:08.610 --> 00:28:12.359

City of Maupin: Well, it would be good if Council members could show up for the event.

233

00:28:12.400 --> 00:28:15.260

City of Maupin: get away from work or whatever

234

00:28:15.510 --> 00:28:31.510

City of Maupin: lot of activities a lot of activities. I think the library is going to join up with the 4 H. Everybody get them Incorporated. So not just in homes, but only a fun day.

235

00:28:32.770 --> 00:28:33.590

City of Maupin: Yeah.

236

00:28:36.570 --> 00:28:40.310

City of Maupin: The planning Commission positions returned in.

237

00:28:42.510 --> 00:28:43.930

City of Maupin: So it.

238

00:28:44.340 --> 00:29:00.409

City of Maupin: Christine, you want to speak to that. I did bring out some applications. They are online. Anybody can apply. And then Council in December's meeting will appoint the new

239

00:29:01.020 --> 00:29:02.410

City of Maupin: mission, understand?

240

00:29:03.160 --> 00:29:05.370

City of Maupin: So it's whoever that's like

241

00:29:05.460 --> 00:29:14.050

City of Maupin: whoever I don't know. I think Susan's the only one, she said. She's gonna reapply. So.

242

00:29:14.090 --> 00:29:24.790

City of Maupin: Think Mj. Was kind of on the fence because he was missing quite a few meetings. But yeah, he's so up there. I asked him

243

00:29:25.060 --> 00:29:27.540

City of Maupin: very importantly, he said that.

244

00:29:27.550 --> 00:29:45.829

City of Maupin: So if there's anybody that you guys feel would be good, encourage them and send them our way. You'll get that in the newspaper. Great who else besides? Mj.

245

00:29:48.270 --> 00:29:49.500

City of Maupin: so

246

00:29:49.870 --> 00:29:53.130

City of Maupin: your applications for radio admission.

247

00:29:54.850 --> 00:30:05.550

City of Maupin: It's just an application. It does ask for some background, and maybe what? Why, they want to be on. There was any

248

00:30:06.120 --> 00:30:17.080

City of Maupin: anything on there for some sort of criteria, for qualifications, or whatever to be doing this, which would give us more of an idea

249

00:30:17.560 --> 00:30:26.940

City of Maupin: is that too much? Should a person ask that, or I think they can, it does. They do make sure that they need to reside? I think

250

00:30:27.040 --> 00:30:32.649

City of Maupin: the most majority side in London. I think I saw like one

251

00:30:32.890 --> 00:30:40.010

City of Maupin: could be outside as long as it's in the school district, but it's still all the appointments come through the Council as well.

252

00:30:40.510 --> 00:30:45.019

City of Maupin: Maybe you could add something about be willing to do a training.

253

00:30:46.130 --> 00:30:47.620
City of Maupin: since we're gonna have that.

254
00:30:47.660 --> 00:30:56.259
City of Maupin: Yeah, cause they, they would need to go into training. So that that really isn't even a requirement. I mean, it's a requirement that they, Max.

255
00:30:57.640 --> 00:31:13.550
City of Maupin: But you guys, can ask them. I mean, these will be applicants where you can ask them questions while you're looking through their applications. Okay? Because you know, I mean, you never know when you're gonna send these applications

256
00:31:13.590 --> 00:31:24.430
City of Maupin: after life, and I think on the front, it might ask about kind of ask a little bit

257
00:31:24.740 --> 00:31:26.320
City of Maupin: kind of thing.

258
00:31:27.860 --> 00:31:32.959
City of Maupin: Maybe after this we could freshen that up too deeper. Questions on that.

259
00:31:37.340 --> 00:31:40.100
City of Maupin: That's difficult. Anything else.

260
00:31:42.580 --> 00:31:52.010
City of Maupin: No fault, cleanup. That's just more of an announcement. They are just fall cleanup. October 26, th 9 to one Pm.

261
00:31:53.420 --> 00:31:56.469
City of Maupin: 92. Go ahead. Sorry 92

262
00:31:57.220 --> 00:31:57.970
City of Maupin: heard.

263
00:31:58.510 --> 00:32:01.701
City of Maupin: I wanted to go home.

264
00:32:06.980 --> 00:32:09.230
City of Maupin: And do we have any communication?

265

00:32:09.280 --> 00:32:10.560

City of Maupin: I don't.

266

00:32:13.263 --> 00:32:36.960

City of Maupin: This is a record. It's 7 or 2. Yes.

267

00:32:38.260 --> 00:32:59.229

City of Maupin: so no communications. So now Council will move into executive session. So we will go into executive session under Ors. 192.6 62 e. To conduct deliberations with persons designated by the governing body to negotiate real property transactions.

268

00:32:59.230 --> 00:33:12.690

City of Maupin: The press is allowed to remain, but I will instruct the press that they cannot report on anything.

269

00:33:26.928 --> 00:33:40.749

City of Maupin: 2.1 6 6 0 2 e. No property transactions. I will need to be turning on zoom at this time.

270

00:33:41.450 --> 00:33:42.080

City of Maupin: and

271

00:33:45.030 --> 00:33:48.449

City of Maupin: We'll try and get it back on if anybody wants to get back.

272

00:33:49.900 --> 00:33:51.610

City of Maupin: Thank you for attending.
